

Lower Registration Fees for 2018! Only \$200!

Armstrong Cooper Youth Football has never been better, with brand new jerseys for all players and the lowest registration fees we've offered in 10 years! Registration is now open at www.acyfa.com. If you register after July 15th, you may end up on a wait-list and pay a late fee.

ACYFA is a non-profit 501(c)(3) organization with a volunteer board of directors and coaching staff. The registration fees pay for field usage, referees, player equipment, and administrative costs. Partial scholarships are available for those who meet financial qualifications.

We compete against other programs in the Twin Cities North Youth Football League (3rd-6th grade), and the North Suburban Football League (7th-8th grade). Instructional programs are available for 1st and 2nd grade. We play an 8-10 game regular season plus playoffs. Here's a schedule of events:

- July: Equipment pickup, football camps
- August: Team selection, practice, Jamboree
- September: Practice, regular season games
- October: Practice, regular season games, playoffs
